

SUMMER 2024

ARCHITYPES

President's Message

With the 4th of July behind us and summer racing by, we have passed the halfway point of the year, and it has been a busy one. Great time to reach out and provide an update of the goings on at AIA Ohio.

Government Affairs Update

The Ohio General Assembly left Columbus to return to their home districts, to campaign for the November 5th General Election.

Before departing, the legislature sent the Capital Appropriation bill to the Governor who signed it the next day, effective immediately. Known as a “clean bill” without partisan substantive law changes, the Governor did not make any line-item vetoes.

AIA Ohio Government Advocacy (GAC)

The AIA Ohio Government Advocacy (GAC) kicked off the year finalizing plans for this year's Advocacy Day program. While the programming for those days seems long gone, the committee has remained active throughout the spring and summer addressing new issues while following the ongoing work of the legislature and state agencies.

AIA Ohio Foundation

AIA Ohio Foundation to Introduce Legacy Scholarship Program

Known for the Charles Marr Citation, its component grant program, the AIAS Chapter grants, and its annual scholarships, the AIA Ohio Foundation decided earlier this year to move forward with a Legacy Scholarship Program. The program is designed to augment the existing scholarship program by creating new endowments that will support additional scholarships available to students statewide.
