

**FALL 2024**

**ARCHITYPES**

## President's Message

This year is certainly racing by! We just entered the fall season and after months of planning and preparation we held our AIA Ohio Conference at Bridge Park in Dublin.

# AIA Ohio Conference Intersect: *Where thoughts collide and ideas emerge*

Earlier this month, AIA Ohio held the 2024 AIA Ohio Conference in Dublin, Ohio. The event was designed to get architects out in the community while including a full schedule of continuing education credits, keynote presentations, tours, networking with sponsors, and member recognition opportunities.

## Support the Future of Architecture – Donate to the AIA Ohio PAC!

Help us ensure that architecture has a strong voice in shaping public policy. By contributing to the AIA Ohio PAC, you support efforts to influence legislation on issues like building codes, sustainability, and housing that directly impact our profession. Your donation, no matter the size, empowers us to advocate for policies that protect and promote the value of architecture.

# I Didn't Know... The Ongoing Work at AIA Ohio

By Bruce Sekanick, FAIA

A little more than a week ago, I participated in one of the many great programs that was offered at the AIA Ohio 2024 Annual Conference. (If you missed it, you probably missed one of the best conferences that AIA Ohio has developed...but I digress). During this session, a member commented that they had no idea that AIA Ohio was working on so many things. So, when the opportunity came about a few days later to write an article for the fall *AIA Ohio Architypes*, I decided to jump at the opportunity and write a brief article on some of the work that is ongoing at the state level here in Ohio.

## AIA Ohio Foundation Embraces the Architectural Foundation Forum

The AIA Ohio Foundation has now been serving the members of AIA Ohio and students across the state for 56 years, since it was first chartered in 1968. Over the years, the AIA Ohio Foundation has continued its efforts to expand scholarships, add support for student groups, and create opportunities that permit AIA chapters and other groups to help advance its mission.

## ODOT Historic Preservation Research

The Ohio Department of Transportation is conducting a statewide historic context research project focused on Postwar housing in Ohio, 1940-1980. The purpose of this project is to create a comprehensive historic context for Historic Preservation professionals in Ohio to use when evaluating Postwar homes and neighborhoods.

# Thank You AIA Ohio Sponsors!

AIA Ohio would like to thank our 2024 Platinum, Gold, Silver, and Bronze Sponsors. These sponsorships helped fund AIA Ohio programs throughout the year and these firms provided exceptional support for AIA Ohio's Annual Conference held September 15th - 17th at Bridge Park in Dublin, Ohio. We applaud their support of the architectural profession in Ohio.

Thank you!

**Watch for new 2025 sponsorship opportunities to be announced soon!**
